The screenshot shows the MongoDB website's download page for the Enterprise Server. The browser's address bar displays the URL `mongodb.com/try/download/enterprise`. The navigation bar includes the MongoDB logo, links for Products, Solutions, Resources, Company, and Pricing, a search icon, a 'Sign In' link, and a prominent green 'Try Free' button. On the left, a sidebar lists various MongoDB products, with 'MongoDB Enterprise Server' highlighted. The main content area features a green icon of a server with a MongoDB logo, followed by the heading 'MONGODB ENTERPRISE ADVANCED' and 'MongoDB Enterprise Server Download'. Below this, a paragraph describes the commercial edition's features, including in-memory storage, advanced security, and encryption. Another paragraph mentions that the server is included with the Enterprise Advanced subscription or available for free evaluation. At the bottom, a dropdown menu shows the current version as '6.0.4 (current)'.
